

Veterinary Services Participation Form

Cardigan Welsh Corgi National Rescue Trust

As a rescue organization working to help find homes for rescued Cardigan Welsh Corgis, we ask that you consider providing health exams and immediate veterinary services to animals in our foster care at a reduced fee. If you agree to offer the CWCNRT Rescue volunteer veterinary services at a reduced cost, please indicate in the spaces provided below the fees you will charge for each of the listed services, and sign below as the participating veterinary clinic / veterinarian.

Thank you for considering our request.
